By Imam al-Busiri:

*Kayfa tarqa ruqiyaka al anbiya'u?*

*Ya sama'an ma taawalat-ha sama'u*

How possible will the (other) prophets elevate (themselves) to your  
Station,

O the sky that no other sky is above it.

*Lam yusawooka fi 'ulaaka wa qad ha-*

*la sanan minka dunahum wa sana'u*

They are not at par with you in your Elevated Station,  
Verily a great light and monumental grace [has] separated You from  
them.

*Innama math-thaloo sifatika li n-*

*nasi kama math-thala n-nujooma l-ma'u.*

They have described [by representing] your qualities to people,  
Like how the stars are reflected in water.

*Anta misbahu kulli fadlin fama tas*

*duru illa 'an daw'ika l-'adwa'u.*

You are the lamp of all bounty,  
and no light emanates unless it is from your light.
